

OUR CORE VALUES

Our mission and holistic approach to wellness and learning are based on 7 core values that we believe are crucial to the development of a child's mind, body and soul.

- ♥ Love
- 👤 Humanity
- 📈 Personal Development
- 🎓 Academics
- 🏠 Give Back to Community
- 👨👩 Family Engagement
- 🌲 Environmentalism

Teaching With Love and Care

Where learning is an adventure

**Redefining Learning
& Nourishing Your
Child's Mind, Body & Soul**

THE TRAVELING TEACHER

The mobile classroom learning experience where learning is an adventure!

The Traveling Teacher component is an Enrichment Learning Experience that supports families on their alternative learning path journey. We provide learning experiences that connect learners to nature and experiential learning classes which makes everyday a learning adventure!

Enrichment Learning Experiences For The Whole Family

We're a wellness center that sees your children for the Divine Beings they are and shapes them into emotionally intelligent, caring, self-cultivating, empathetic critical thinkers who are healed masters of their own universe.

We offer wellness and development programs for the whole family.

- Preschool through School age Enrichment Learning groups
- Project/Nature/Play-based and Mastery of Learning Approach
- Homeschool Learners Enrichment Learning Experience
- Enrichment Learning Experience (Experiential Learning)
- Family Support Services
- Personalized Academic Coaching and Homeschool Support Services
- Mobile Classroom Learning Component
- Health and Wellness with an Emphasis on Practicing Mindfulness
